For Immediate Release

Prescott Farm announces new Camp Director, Will Robinson

Laconia, NH: Will Robinson, who has been an Environmental Educator at Prescott Farm Environmental Education Center for the past two years recently accepted his new role as Camp Director.

A graduate of Georgia College and State University, Robinson holds a Masters of Education degree in Kinesiology and Outdoor Education Administration and is a certified Wilderness First Responder. He joined Prescott Farm in June 2014 as an Environmental Educator, working in local schools through Prescott Farm's Naturalist in the Classroom program and as a camp counselor. Prior to joining Prescott Farm, he was the Director of Outreach and Operations at the Community School in South Tamworth for a year and Assistant Administrator at Camp Robindel for Girls in Moultonborough for 12 years. Robinson lives in Tamworth with his wife and three children and enjoys being in the outdoors and subsistence farming.

Prescott Farm offers children ages 4 through 12 years old the opportunity to learn and play in nature during nine weeks of environmental-themed WildQuest Summer Camps and during its WildQuest Winter and Spring Camps offered during February and April school vacation weeks. Prescott Farm also hosts public programs designed to encourage environmental exploration for all ages; field trips; a Naturalist in the Classroom program which fosters long-term partnerships with local elementary schools; and Fledglings, a nature-based preschool. The 160 acre historic family farm features woodland and field trails, historic barns, an old-fashioned maple sugaring operation during the month of March, heritage gardens, and a forested pond. Prescott Farm is open year round, seven days a week from 9:00 – 4:00PM. Hiking trails and our Natural Playscape are open to the public daily from dawn to dusk.

For more information about Prescott Farm Staff and our WildQuest Day Camps, please visit www.prescottfarm.org.
