Please indicate the week that you are requesting scholarship for: \_\_\_\_\_

**\*\*See our website for scholarship application deadlines for each camp session.\*\***

Staff will review requests after the deadline (see website) and scholarship awards will be made at least 2 weeks in advance of the camp session you are requesting. You will be contacted when a decision is reached—at that time a \$50 deposit is due for the weeks you will be registering for (\$10/day for February/April camp). For summer camp, Early Bird Registration rates will apply to families requesting scholarship funds as long as this form is received before April 30th. You may use this form to apply for scholarship funds after the deadline (see website) with the understanding that you will be wait-listed until more funds become available. Prescott Farm believes that everyone deserves the chance to experience environmental education. Our scholarship fund, supported by many generous community organizations, is designed to help families who would not otherwise be able to attend our camp. We appreciate your honesty when completing this request for these limited funds. Please briefly describe why assistance is necessary for your camper. (Use reverse side of form if necessary). **Generally, scholarships will only be granted for partial camp fees up to a maximum of one week.**
