

REQUEST FOR PRESCHOOL TUITION ASSISTANCE

**Application deadline:
May 17, 2018***

At Prescott Farm, we believe all children should have access to quality preschool education. Many generous community members and organizations donate funds to provide tuition assistance for families who would not otherwise be able to attend Fledglings.

In order to be considered for the 2018-2019 school year, **all tuition assistance applications must be received in our office at 928 White Oaks Rd., Laconia, NH 03246 no later than May 17, 2018***. Funds are very limited and will first be awarded to children already enrolled at Fledglings during the prior year who require financial assistance to continue in our program. Any remaining funds will be made available for new Fledglings students on a first come, first served basis. We do expect that families will contribute financially as much as possible to their child's preschool education.

Verification of income qualification will occur through our partnership with the Family Resource Center of Lakes Region Community Services (LRCS). All tuition assistance applicants must complete the Statement of Authorization below, which will enable the Family Resource Center staff to confirm that a family is eligible to receive low-income benefits through LRCS

STATEMENT OF AUTHORIZATION

I hereby authorize Lakes Region Community Services (LRCS) to speak with the staff of Prescott Farm regarding my application for scholarship assistance and to verify my eligibility to receive low-income benefits administered by LRCS. I understand that any information shared between LRCS and Prescott Farm will remain confidential.
