Contact Lissa at [LMascio@prescottfarm.org](mailto:LMascio@prescottfarm.org) or sign up online at [prescottfarm.org](http://prescottfarm.org)

Money raised supports our **Fledglings Nature-Based Preschool Scholarship Fund**. Fledglings is a fully licensed educational program that prepares 3-5 year-olds for kindergarten through an experiential nature-based curriculum designed to develop fine and gross motor, problem solving and critical thinking skills through hands-on exploration of our fields, forests and gardens. We do our best to meet each family where they are - providing financial assistance to families in need while requiring each family to pay at least a portion of their child's tuition.

**\$11,364 in scholarship funds have been requested by our 2018-2019 Fledglings class.**

**Prescott Farm - exploring and preserving the environment, one adventure at a time**
