

QUEST

Prescott Farm Visitor Quest Clues

Made by WildQuest Campers from Outdoor Adventures Week 2018

What is a “quest”? A quest is a search for something! Here at Prescott Farm, you are searching for 5 challenges hidden on our trails. Follow the clues below to lead you on your journey.

Challenge: Pre-K Pioneers

Head behind the Pardoe Building and find the first orange blaze. Walk along the hill to the right of the orange blaze until you get to the old white pine with the large rock at its base.

Challenge: Quester 2 Group

Now from the orange and head to the yellow.

Take a right to help out some fellows.

Your mission awaits you,

Just before the trail meets the blue.

Find some PomPom Critters in a box.

To find them you will have to be as sly as a fox.

QUEST

Challenge: Quester 1 Group

Find where the blue and red trails meet for your scavenger hunt challenge.

Challenge: Quester Group 3

Fire Building!

If making a fire is what you desire,

Go down the blue trail and find set up three camp fires.

A wind breaker, a tepee, and a log cabin you will (not light, but) make.

All of your skill is all it will take.

Include a photo of each

For others to teach!
