

## Discovery Tour FAQs

### ***Why should I attend a Discovery Tour at Prescott Farm?***

Along with the beautiful natural setting and stunning views, Discovery Tours feature the people who create and participate in the programs that make Prescott Farm a vital resource to the area. You will see and hear how our team expands participants' understanding and appreciation of the natural world through a variety of programs promoting education, social connections, and wellness. We will also share with you some of the ways that we envision Prescott Farm expanding its impact in the future.

### ***Is there a cost to attend the tour?***

No, there is no cost to participate in a tour, but you will need to reserve your spot ahead of time. Please contact us as soon as you know which date and time you would like to attend.

### ***Can I bring a guest?***

Yes! Tours will be limited to 10 guests, so please let us know ASAP if you plan to have a friend or colleague join you.

### ***What should I wear?***

Keep an eye on the weather forecast. The entire hour-long tour will take place in our barn and outdoors. Tours will be rain or shine. Sunscreen, bug spray, and/or weather-proof outerwear are recommended. While we won't be hiking trails, there will be walking on grass, gravel, and some uneven terrain. Please wear sturdy shoes. In the event that dangerous road conditions or other circumstances require us to cancel or reschedule the tour, we will be in touch with you by email and phone as soon as a decision is made.

### ***When should I arrive?***

We encourage you to arrive 10 or 15 minutes before the scheduled start time so that you can sign in, look at the displays and information around our antique barn, and visit with other guests.

### ***Where should I park?***

The tour will begin and end in the big white barn located at **884 White Oaks Road in Laconia** (just down the hill from Prescott Farm's main entrance). There is parking available adjacent to the barn.

### ***What health & safety precautions are being taken?***

The health & safety of our guests, volunteers and staff is our highest priority. Masks are mandatory for everyone present. Sign-in writing utensils will be sanitized and single use. Hand sanitizer, cleaning wipes, and disposable masks will be available to guests who need them.

### ***How long should I plan to be there?***

The tour is one hour. In order to respect guests' schedules, we will start the tour at the designated time and ask that phones/cameras be silenced and away for the duration of the tour. Staff will be available to answer questions immediately after the tour or in a follow-up phone call. The property is open dawn-to-dusk 365 days a year, so you are welcome to take photos of the property at the conclusion of the tour or anytime you visit.

### ***Will you share my contact information?***

No! All of your information will remain private.

We look forward to seeing you soon at a Discovery Tour. If you have any questions or concerns, please contact:
