# Community Connections Programs at Prescott Farm!

## **A MULTITUDE OF LEARNING OPPORTUNITIES!**

*Prescott Farm uses hands-on learning to teach about the wonders of the world around us, making meaningful connections to nature, wellness, food & gardening plus NH crafts.*

Our Community Connections Programs provide a link between New Hampshire's rural past and its healthy environmental future. We believe that people who connect to nature and engage in the world around them are more likely to care for it!

# Prescott Farm Nature-Based PreSchool!

## **Fledglings Nature-Based Preschool: Learning through Nature**

*Fully licensed in New Hampshire, Fledglings  
Nature-Based Preschool*

## **Tadpoles: Small Group Nature-Based Learning**

# Thank you for visiting!

**Prescott Farm Environmental Education Center welcomes visitors year-round to explore over 160 acres of farmland, forest, and pollinator fields. Our trails are open from dawn to dusk, 7 days a week!**

*Prescott Farm Environmental Education Center is a nonprofit organization that is committed to environmental education and preservation.*

Since 1997 we have helped awaken appreciation for nature and concern for the environment in thousands of program participants with a wide range of programs designed to preserve and pass down knowledge and skills that encourage an understanding of the natural systems that sustain us all and respect for the environment.

**Prescott Farm – exploring and preserving the natural world, one adventure at a time**
