Prescott Farm

Environmental Education Center

Welcome to Prescott Farm's Community Connections Program Guide!

In this guide, you'll find over 60 thoughtfully designed programs scheduled for Winter & Spring 2025. This year is particularly exciting as we continue to celebrate our expanded property and state-of-the-art program spaces, all created to enhance your hands-on learning experiences and deepen your connection to the natural world.

Our **Community Connections Programs** are led by Prescott Farm's talented environmental educators and an exceptional lineup of guest instructors such as Prescott Farm's Creative Arts Consultant Larry Frates, Chef LaShunda Allen, wellness experts Clare Persson and Gina McGuire, and snowshoe yoga guide Kate Kretschmer, among others. This year, we're additionally excited to introduce new topics such as Nature Writing, the History of Stonewalls in New England, and Natural History lectures.

Affordable and accessible, Community Connections Programs provide something for everyone, whether you're a longtime supporter or a first-time visitor.

We invite you to join us and discover meaningful ways to connect—with nature, with yourself, and with Prescott Farm and our community—in 2025!

Thank you to Lakes Region Airport Shuttle
a Prescott Farm Business Partner and
Cupola Society Member!

Nature-Based Lectures, Walks & Explorations

Name of Program Date & Time Cost: Member/Non Member

Maple Sugar Bush Management March 22 1 - 4 pm Free/\$15
with Lindsay Watkins & Steve Roberge, UNH Extension

Which Programs Are Right For You?

Physical Demands Scale (See program names for scale level):

0 = Entire activity is indoors and seated.

1 = Activity is indoors or outside with up to 1/10 of a mile walking; includes both sitting and standing.

2 = Activity includes up to 1/2 mile of walking on uneven terrain; no steep slopes.

3 = Activity includes 1/2-1 mile of walking on uneven terrain; may include hills.

4 = Activity includes around 1 mile of walking on trails with uneven terrain and hills.

5 = Activity includes 1 or more miles of walking on uneven terrain with hills; may include some off-trail walking.

Experience Level: Unless otherwise noted, all programs use layperson terminology and provide a broad overview of the topic. No prior knowledge is necessary—just an interest in the topic area.

Recommended Ages:

[A] Adults: Designed for older teens (16+) and adults.

[A/Y] Adults & Older Youth: Suitable for adults and older kids (ages 12+). Children should have an interest in the topic and must be accompanied by an adult.

[Y/A] Youth + Adult: Programs for school-aged children to engage in alongside a grown-up. Adult participation is required.

[MG] Multi-Generational: Open to participants of all ages. Children must be accompanied by an adult.

Pre-registration is recommended for our Community Connection Programs. Walk-ins may be accommodated on the day of the program based on availability, as some of our programs do fill up. To allow us to notify our waitlist, please cancel at least 24 hours in advance. While our programs are typically held rain or shine, we will notify participants in advance if inclement weather requires any changes to the schedule.

NEW! Homeschool Series!

Immerse your child in the wonders of nature with our year-round homeschool programs, designed to foster outdoor learning and exploration. Participate in one or all programs in the series. *All programs meet on Wednesdays!

Jan 8th 9:30 am - Noon

Firemaking & Campfire Cooking

Jan 22nd 9:30 - Noon

Animal Tracking in the Snow

Feb 5th 12: 30 - 3 pm

Snowshoe Winter Exploration

Prescott Farm member!**

Tap into Maple

Experience a Northeast tradition that predates New England—making maple syrup! From tapping a tree to tasting delicious maple syrup, you will take an inside look into every step of the syrup making process. Our naturalists will help you identify maple trees, learn the parts of the tree and their functions, and discover how the maple sap is turned into syrup.

This multigenerational program involves a 20 minute walk to our Sugar House with an uphill hike at the end. Please wear boots and dress appropriately for the weather. Snowshoes or traction cleats will be provided as needed - bring your own if you have them.

90 minute programs start at the top of each hour; pre-registration is highly recommended, though walk-ins are welcome space permitting.

Daisy Time

By [Marjorie Pickthall](#)

See, the grass is full of stars,
Fallen in their brightness;
Hearts they have of shining gold,
Rays of shining whiteness.

Buttercups have honeyed hearts,
Bees they love the clover,
But I love the daisies' dance
All the meadow over.

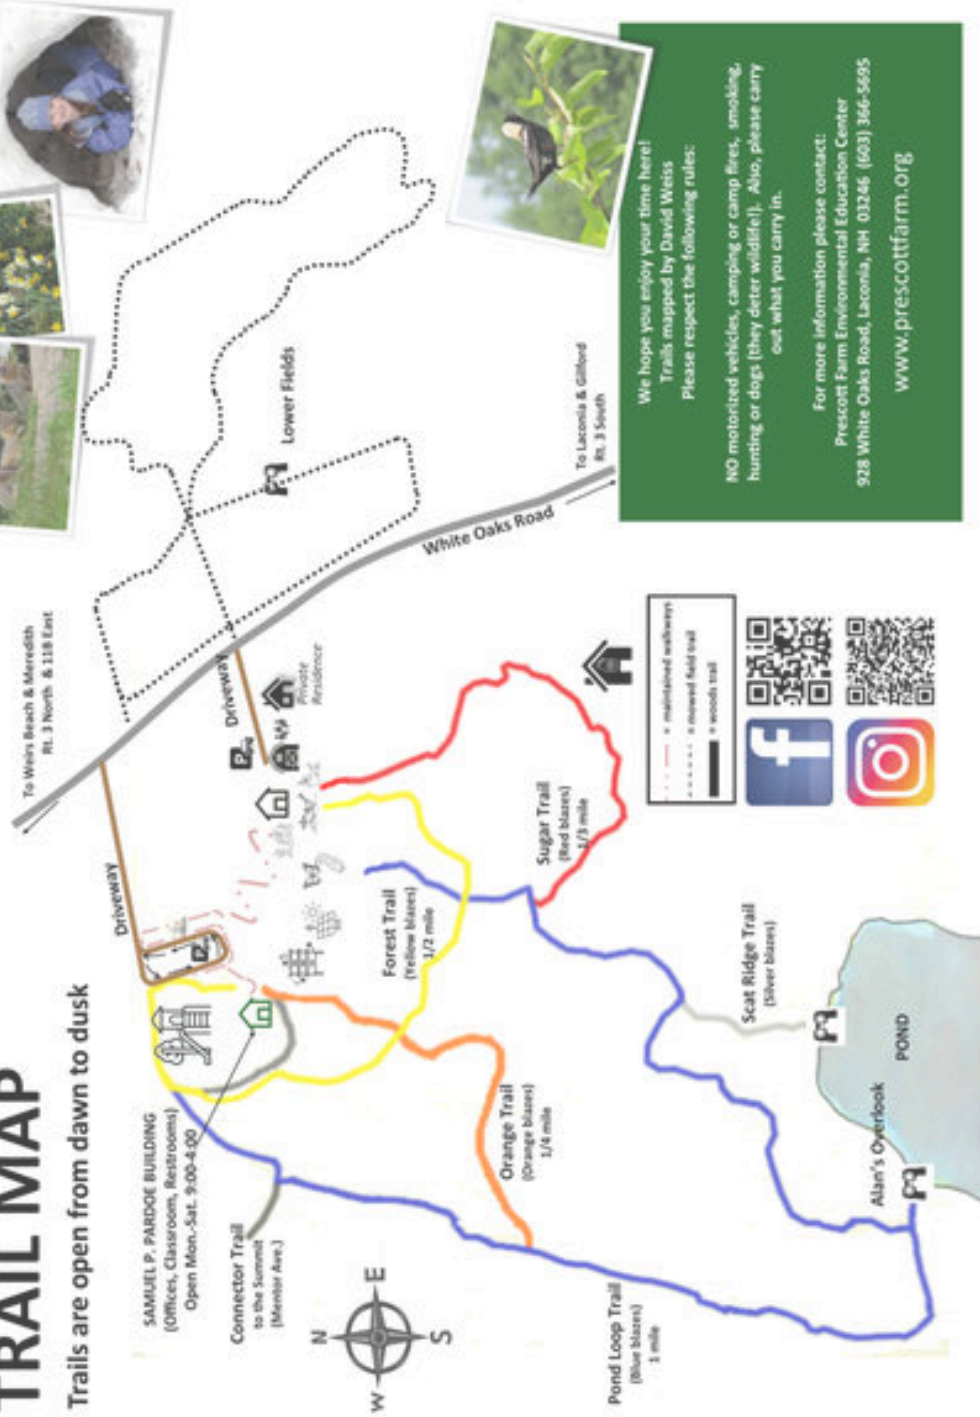

Blow, O blow, you happy winds,
Singing summer's praises,
Up the field and down the field
A-dancing with the daisies.

Welcome to Prescott Farm!

TRAIL MAP

Trails are open from dawn to dusk

We hope you enjoy your time here!
 Trails mapped by David Weiss
 Please respect the following rules:
 NO motorized vehicles, camping or camp fires, smoking, hunting or dogs (they deter wildlife!). Also, please carry out what you carry in.

Registration opens for returning families January 8th
January 15, 2025 for new families.

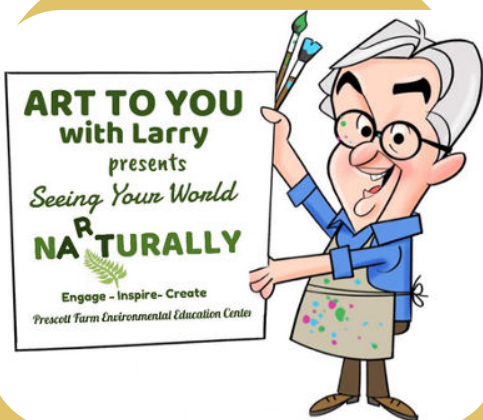

See www.prescottfarm.org for tuition, weekly themes, schedule and more! Questions? Email us at camp@prescottfarm.org!

Scholarships available!

Now Hiring for Summer 2025
Camp Instructors: age 16+
& Junior Instructors: age 15-16

Join Larry Frates for a Series of Nature-inspired Art Workshops!

Larry Frates

Metal Embossing

Saturday, January 18th 10 - Noon

How to Make Your Own Watercolors

Saturday, February 15th: 10 - Noon

Up-Cycled Papermaking

Saturday, April 12th: 10 - Noon

Members: \$10 Non-Members: \$25

Discovering New England Stone Walls

Kevin Gardner, author of *The Granite Kiss*, explains how and why New England came to acquire its thousands of miles of stone walls, the ways that they and other dry stone structures were built, how their styles emerged and changed over time, and their significance to the famous New England landscape. Along the way, Kevin occupies himself building a miniature wall or walls on a tabletop!

Jan 25th 10 am - Noon Members: \$10; Non-Member: \$25

Fruit Tree Pruning

Join UNH Extension Home Horticulture Educators, Sean O'Brien and Steph Sosinski for an in-person apple and pear tree pruning demonstration. We will cover topics such as tools and their proper maintenance, the basics of why to prune trees and shrubs, types of pruning cuts and when to use them, and safe pruning techniques for you and your plants. Bring a pair of pruners or loppers if you'd like to participate, and bring your questions!

March 15th 10 am - Noon Members: \$10/Non-Members: \$25

What Birds Can I Expect to Find Here?

UNH professor Matthew Tarr will be presenting a video on local birds and their vocalizations. The video will introduce you to the most common habitat types encountered in New Hampshire, the bird species associated with each habitat, and how to identify some of the most common bird species you are likely to encounter.

Question and answer to follow the 30 minute video presentation.

March 20th 5:30 pm - 7 pm Members: Free; Non-Members: \$15

Maple Sugar Bush Management

Join UNH Extension Forest Resource Specialists Lindsay Watkins and Steve Roberge to learn how to manage maple sugar bushes large and small. Learn management strategies that will keep your sugar bush producing sap for many years to come while also benefit local wildlife. Dress for walking outdoors as we walk into Prescott Farm's sugar bush.

Snowshoes or micro spikes will be provided.

March 22nd 1 - 4 pm Members: Free; Non-Members: \$15

HAYWARD & COMPANY

CUSTOM BUILDERS | EST. 1971

Special thanks to Hayward & Company, a Cupola Society Member!

Did you know...?

Prescott Farm is a 501(c)3 nonprofit governed by a volunteer board of directors. Featuring 160 acres of property, Prescott Farm is open to the public dawn-to-dusk, 7 days a week. You will find 3 miles of trails, gardens, Natural Playscape - all for you to explore!

Our dedicated volunteers allow Prescott Farm to continue enhancing and expanding our educational programs for the Lakes Region community. Volunteers are engaged in all aspects of our work; from hands-on efforts like maintaining our gardens, maple sugar program, and trails to behind-the-scenes work on committees and office administration. Along with enjoying a sense of accomplishment and camaraderie, volunteers are invited to attend exclusive events at Prescott Farm that honor their work.

Call us at 603-366-5695 x 310 or email [Brett Rouleau volunteer@prescottfarm.org](mailto:volunteer@prescottfarm.org) to learn more!

Looking for a thoughtful gift? Why not share the joy of learning with a Community Connections Program? Gift certificates are available for all our programs — a perfect gift for friends and family!

Thank you to our Community for Your Support in 2024!
